A GUIDE TO
FIRST FRIDAY
APRIL 2018

HOW TO BE COOL...

AT FIRST FRIDAY

Is it your first First Friday? With these helpful hints, you'll be a First Friday pro in no time.

- ◆ Don't touch the art, and definitely don't steal the art. Most art is available for purchase so that you can touch it whenever you please... from the comfort of your own home.
- ◆ Don't go just for the booze. It's all about the art, man. If you do partake in a light snack or beverage, stay on the lookout for the tip jar!
- ◆ Be aware of your surroundings. Pay attention when in doorways and crowded halls, as those tend to be the worst place to abruptly stop and catch up with your buddy.

It's pretty simple. Just be a good person and enjoy the art!
